Dedication

MISS MARION HACKETT

We, the class of 1950, do gratefully dedicate this yearbook to our advisor, Miss Marion Hackett. Her leadership and capable advice through these past four years have brought us to this day of graduation.

President's Address

Four years ago the class of 1950 entered Proctor High School. This proved to be the most interesting period of our lives so far. We as a class worked together and played together, and so the years have passed swiftly. For three years we have watched other classes assemble here to review their class activities. Now it is our turn.

It is not exactly as we had anticipated, for we meet both in sorrow and joy. Sorrow because it is the end of our high school days, and joy because we are about to step out into the world to determine our future.

At the present moment, the most fascinating subject of our thoughts is the future—our future. What will it be?

We have striven to prepare ourselves for the duties and obligations that may await us. How well we have succeeded the years alone can tell. Whatever problems shall puzzle us, whatever difficulties confront us, may we always have the courage of our convictions and the faith in ourselves that is so essential if we are to do as well as we dream. May we remain true to our ideals and so far as in us lies, make the world a better place for our having lived in it.

Class Song

(To Tune of "Memories")

Memories, memories, of days at Proctor High,
Of friends so true, good times, too,
They will never die.
'Though today we must say
To you all, "goodbye,"
As now we must part
We hold in our hearts
Sweet memories of dear Proctor High.

RITA JOHNSON

Class Poem

Crowding around us now
Are the memories of the past four years
Which are all recalled
As the end of high school nears.

Memories spring from everywhere
As we walk through the halls,
But many unforgettable ones
Cling to all the walls.

Now we say good-bye to Proctor High
For we are at the end
And also we must say farewell
To many a good friend.

'Tis a very sad affair,
A good-bye to P. H. S.
For in the many bygone days
We have had much happiness.

Class History

FRESHMAN YEAR

In September of '46, twenty-nine freshmen entered senior high school. These green, noisy members of "the lower class" soon found that senior high was not very different from junior high school.

At that time, the members of the faculty were: Miss Hackett in the English department, Mrs. Fontaine as the French and Latin teacher, Miss Rowe in the mathematics department, Mr. Hirtle in the manual training department, Mr. Vassar as the history teacher, Miss Hall in the home economics department, Miss Edgett and Mr. Desrosiers were the physical education instructors, Miss Wingett was in the music department, Mrs. Johnson in the commercial department, Miss Johnson in the office, Miss McGillicuddy in the Biology department. Besides being our principal, Mr. Parry taught chemistry, physics, and civics.

We started our duties by electing the following class officers: David Boni, president; Georgia Anderson, vice president; and Louise Marfuggi as secretary-treasurer. We elected Miss Hackett for our sponsor.

During the year we held various money making projects such as raffles, and food sales.

As usual, the seniors started the year by initiating the "Frosh." The girls wore burlap bags, hip boots, sixteen pigtales with different colored ribbons, earmuffs, a string of onions and a corn cob pipe. The boys wore women's hats, nightgowns, long earrings, leg paint, lipstick, and heels. A good time was had by all especially the freshmen.

We won third prize in the annual One Act Play contest. The name of the play was "Elmer and the Love Bug." The cast consisted of Donald Carrigan, Roy Peterson, Robert Parker, David Boni, Axel Anderson, Theresa Vigneau, Virginia Loso, Marilyn Duprey, Sheila Fay, Rita Johnson, Mary Buggiani, Ruth Peterson, and Louise Marfuggi.

Several freshmen boys went out for football and the team had a fair season placing third in the Marble Valley League. In basketball several boys of our class made the junior varsity. The varsity had a successful year winning the Marble Valley League Championship and they were eliminated by West Rutland in a close game in the "B" Tournament at Barre.

This year the Girls' Glee Club went to Burlington to the Music Festival. Rita Johnson played in the All-State Orchestra.

SOPHOMORE YEAR

On September 2, 1947, the doors of P. H. S. were re-opened. It was through these doorways that we passed into our sophomore year. Considering ourselves very sophisticated now, we watched the freshmen struggle to gain a foothold in the high school life.

We were greeted by three new teachers; namely, Miss Shannee, replacing Miss Hall in the Home Economics department, Mr. Holbrook taking Mr. Hirtle's place in shop classes, and Miss Kemp the girls' coach in place of Miss Edgett.

Our class roll was diminished to twenty-six students. David Boni left our ranks to return to the Philippines, while Gunhild Myhrberg moved to Rutland.

At an early class meeting we elected our class officers. They were president, Mary Buggiani; vice president, Virginia Loso; secretary, Paul Brown; and treasurer, Louise Marfuggi. Miss Hackett was again to be our sponsor.

Our first activity as sophomores was decorating for the freshmen reception. It was fun to be able to laugh at the proceedings. However, two of our classmates, Axel Anderson and Marilyn Duprey, were forced to stop laughing long enough to be initiated since they had missed it when they were "freshies."

The Student Council was developed this year. Rita Johnson was elected as secretary, and Roy Peterson, representative.

We presented "Goodnight, Please," in the One-Act Play contest and received second prize. There was much "hissing" during the play—all on the stage of course! "Flick" Parker and "Kruge" Carrigan starred as businessman and valet.

The weeks rolled on and soon it was time for the annual Sophomore Hop. The decorations in pastels of pink, green and yellow were outstanding. Socially, it was a tremendous success. Financially, it rates little comment!

Regardless of the scarcity of boys in our class, we were well represented in athletics. Robert Parker played all sports. George Anderson took part in basketball and baseball; Roy Peterson and Axel Anderson, football and basketball; Ralph Santoro, basketball. We were also able to boast of two members, Rita Johnson and Sheila Fay, on the girls' varsity basketball squad.

Six sophomores, Louise Marfuggi, Georgia Anderson, Sheila Fay, Mary Buggiani, Rita Johnson and Marilyn Duprey took a trip to Burlington in May to attend the Music Festival, another of the big events of the spring.

Too soon June had rolled around and the doors of P. H. S. closed on our never-to-be-forgotten sophomore year.

JUNIOR YEAR

As our third year of high school started we found five new teachers. Mr. Williams replaced Mr. Vassar in the History department, Miss Towne replaced Miss McGillicuddy in junior high school, Mr. O'Horo took over shop from Mr. Holbrook, Miss Gay was the new mathematics teacher, and Mr. Brokaw came to manage the Physical Education department in place of Mr. Desrosiers.

On return to high school we found our class reduced to twenty-four students when Donald Carrigan moved to Pittsford and Roland Champine left school.

In our first class meeting of September, 1948, we elected Miss Hackett as our sponsor once again and chose the following officers: Mary Buggiani, president; George Anderson, vice president; Sheila Fay, secretary; and Louise Marfuggi, treasurer.

Robert Parker was elected to represent our class in the Athletic Association and Marilyn Duprey was elected to represent us on the Assembly Program Committee.

Sheila Fay was elected vice president of the Student Council and Robert Parker along with Roy Peterson were our class representatives.

We again took the task of selling candy and soda at the basketball games.

The One Act Play Contest that year, was a success. The juniors took first prize, the freshmen second prize, and the sophomores received the third prize. In the district one act plays which were held at Rutland, Proctor was placed third.

A whist party was held in May and along with the other activities it was a financial success.

Our basketball team entered the "C" tournament after a successful play-off against Bristol. We played Wallingford in the first game and won. The next game we won against Milton going into the finals. We lost a close game to North Bennington thus earning the second place in the "C" tourney. From the junior class Robert Parker and Roy Peterson played on the varsity basketball team.

Several girls from our class, Jean Valach, Leah Kapitan, Sheila Fay, Rita Johnson, Marilyn Duprey, Mary Buggiani, and Georgia Anderson, made the girls' varsity basketball team which was a success.

Virginia Loso and Marilyn Phillips were on the varsity cheerleading squad.

The Rutland Chamber of Commerce sponsored an essay contest on "Why Rutland Needs a Junior College." Two of our class won prizes. Marilyn Duprey won second prize of fifty dollars and Jane Aronson won the third prize of twenty-five dollars.

Mary Buggiani was elected to represent Proctor at Girls' State and both Roy Peterson and Robert Parker were elected to represent Proctor at Boys' State.

Virginia Loso and Henry Loyzelle were chosen as marshalls at graduation.

We decided to have our Junior Prom on Class Day in honor of the seniors and we planned a class picnic which was held at Lake St. Catherine the last day of school.

Thus ended our activities of a happy and prosperous junior year at P. H. S.

SENIOR YEAR

September 6, 1949! Just another opening day of school to the rest of the classes, but to the senior class of Proctor High School it was the beginning of our final year in high school.

We were greeted by three new additions to the faculty. Mrs. Ploof replaced Miss Shanney in the home economics department, Miss Guidotti replaced Miss Erway in the music department, and Mr. Silvester became our new principal in place of Mr. Parry.

At the first class meeting of the year we elected Mary Buggiani as president, Robert Parker as vice president, Louise Marfuggi as treasurer, and Sheila Fay as secretary. Miss Hackett was again elected our class sponsor.

Our class has always been athletically minded and four of our class participated in football. They were: Robert Parker, Roy Peterson, Henry Loyzelle, and George Anderson. Robert Parker was elected Honorary Captain of the team.

Early in the year twenty-four eager seniors made plans for our money making activities of our final year. Each one with one goal in mind, our class trip to New York.

The Senior Play was presented on December first and second. "Every Family Has One" was chosen as our play and happily it was a great success. The play helped considerably to enrich our class treasury.

Rita Johnson was elected D. A. R. Girl.

Basketball is always eagerly awaited by the entire student body and we were not disappointed in this year's team. Robert Parker, Roy Peterson, and Ralph Santoro represented the senior class. As usual, we sold candy and soda at all the home games. We not only made money for our class, but also helped the Athletic Association.

The Senior Ball took place on April fifteenth. This formal dance is a highlight of each year at Proctor High School. Ours was no exception.

Musically minded girls and boys participated in the glee club and orchestra.

Well, our high school career has drawn to a close, four years—happily spent. We'll always remember them as the pleasantest of our lives.

Advice to Juniors

- JANICE CASEY—Because of the acting ability which you've shown in the One-Act Plays, we suggest that you try for the lead in your Senior Play.
- MARSHALL FAY—Date a girl from P. H. S. during your senior year. You'll find it much handier.
- PATRICIA MAY—Why don't you use some of your height to master basketball? The girls' team could certainly use you.
- THOMAS YAKUNOVICH—Be good to your brother so that he'll let you take the car occasionally. Girls go for looks, you know.
- MYRTLE SKJETNE—Keep up the morale of a certain freshman, as it'll help the sports of P. H. S.
- MYRTLE BURGESS—We advise you to make a little noise so that people will know when you're around.
- JEANETTE POMAINVILLE—We suggest that you try out for cheerleading so that Proctor can be different and have two redheads on the squad.
- CLARENCE CAPMAN—Athletic teams require good managers. Keep up the good work!
- GARY FAY—We suggest that you keep the girls of your class occupied throughout most of the year. You seem to have accomplished this very well in the past year.
- ELSIE MONAHAN—A few of our best "gigglers" are graduating this year, so we advise you to carry on.

MARILYN NELSON—Why not slacken up a little on the studying? You don't know what you're missing!

LOUISE OLNEY—Since so many members of our orchestra are graduating, we suggest that you brush up on the cello so you can carry on.

KAREN OSCARSON—Join the girls' ensemble as some good soprano voices are needed.

NINA GIANCOLA—We advise you to be on the lookout for a man. Try some of your classmates.

LLOYD ANDERSON—Forget the girls in Rutland and find one in Proctor High, as you're causing too many heartaches. (In Rutland, that is.)

RAYMOND MALONEY—Keep up your good work in basketball, but keep out of wet meadows.

LENNART NELSON—Go home earlier nights and get some sleep. (We know Len's parting is such sweet sorrow.)

FRANK MAZUT—Notice a certain sophomore girl a little more. Come on Frankie, give her a break.

DOLORES WARD—Keep up your good work in cheerleading and always keep smiling.

ROGER NELSON—Set up some warming stations on Powers Hill. It gets mighty cold in winter, doesn't it, Roger?

ELI MAZUT—Keep driving in football and that forward wall is bound to give.

Class Will

The time has now come when the class of 1950, in the town of Proctor, county of Rutland, and the state of Vermont, being of sound mind, having fulfilled our obligations to the Proctor High School, make this our last Will and Testament.

To MR. SILVESTER we leave the pleasant memories of the past year. Although he has been with us only a year, we hope he will always remember the class of 1950.

ROBERT PARKER leaves his basketball ability to Dominic LaVictorie.

LEAH KAPITAN leaves her long walk up Patch Hill to Marie Macek.

VIRGINIA LOSO leaves her cheering ability to Therese Kallio.

JUNE BARON leaves her steady chatter to Janet Navari. You can at least try to attract attention, Janet.

DOROTHY DUTELLE leaves her solitude to Christine Hinds.

HENRY LOYZELLE leaves his love for opera to whoever likes it.

MARY BUGGIANI leaves her love for Manchester to Hilary Hyde.

RALPH SANTORO leaves his reservation on the basketball seat to David Stevens.
Be sure and keep it warm, David.

GEORGIA ANDERSON leaves her dimples to Myrtle Burgess.

MARILYN DUPREY leaves her pleasing smile to Marshall Fay.

AXEL ANDERSON leaves his love for Margaret to Gary Fay for Elsie Monahan.

ROY PETERSON leaves his acting ability to Frank Brown. Brush up on the farmer talk, Frank.

JANE ARONSON leaves her intelligence to Frances Allard.

THERESA VIGNEAU leaves her well-kept coiffure to Ann Curtis. Take heed of the large mirror in the girls' room, Ann.

RUTH PETERSON leaves her sense of humor to Marie Giancola.

JEAN VALACH leaves Blackie to P. H. S. We suggest that someone be assigned to take Jean's place in letting Blackie out of the building each day.

LOUISE MARFUGGI leaves her musical ability to Nina Giancola.

THE SENIOR CLASS leaves the privilege of selling at the basketball games to the present Junior Class of P. H. S. This will give you a good chance to obtain funds for your class trip.

Class Grumbles

Why not have the campus converted into a skating rink and have ice follies?

For the students who are bored in class we ought to have television installed.

For the assemblies we should have popular movies such as "Battleground" and "Samson and Delilah."

There should be soda installed in the drinking fountains.

Foot stools ought to be supplied for your feet in study hall.

It would be a good idea to have school go on a four-day week.

Let's switch to oil heat instead of coal, so George won't have to work so hard.

Why not have snapdragons instead of poison ivy around the school yard?

Electric eyes would be nice on doors so sleepy students won't have to open them.

True Romance magazines should be provided for the non-steadies.

Let's have gum, cigarette, and candy machines instead of lockers in the boys' and girls' basements.

This fall a new time schedule for P. H. S. should go into effect. 9 a.m. to 3 p.m. This would give the students more time to sleep.

As our school is now a "C" standard, because of the lack of boys—Parents: can't something be done about it?

We would like the faculty to form a new constitution for P. H. S. which would permit: gum chewing, sleeping every other period, playing cards, and a smoking period.

As John L. Lewis and his miners get what they want, we would like the students to form a Union. They could then strike for anything their hearts desire.

We demand the answer for the \$500,000 question for "1950." Will P. H. S. have a new high school?

Class Prophecy

YEAR: 1960

PLACE: The spacious and modern library of the new P. H. S.

PROLOGUE: We now let you look in on the reunion of the class of '50.

Speech of Toastmistress

As we look in on this reunion of the class of '50 we find them seated around the long table. Many of the old familiar faces have changed, for during these ten years it has been a tough climb, but there they are, on the top.

So attention all of you inexperienced youngsters, and listen while we let you in on the latest happenings of this class.

Seated at the head of the table we find Monsieur Loyzelle, dean of the Cutie Glamour School for Women. He always was a "lady killer" you know.

Mary Buggiani and Jean Valach are co-owners of the "Ketch Em and Kill Em" Funeral Home. They operate on the principle: "Eventually, Why Not Now?"

"Bud" Peterson and Paul Brown are famous for their new garbage disposal system. All you have to do is, throw it down a chute!

Marilyn Phillips is employed as "Milk Maid" at the Proctor Creamery.

"Lee" Kapitan has been hitting all the night spots, lately, with a variety of escorts. My, how times have changed.

"Gooney" Anderson is now manager of Negus' Pharmacy. Who does he have employed as "soda jerk"? Why, none other than his wife, "Peg."

Marilyn Duprey and Georgia Anderson are now famous violinists. They thrill the audience with their musical strains.

Louise Marfuggi has just completed a tour of piano concerts at "Gold Tooth Hollow." She has with her, making her debut as a singer, Madame Virginia Loso.

Dorothy Dutelle now runs her own little beauty shop. It's called "Dot's Beauty Spot."

"Flicker" Parker has opened a booming skiing resort in the Sahara Desert.

Eugene Monahan is in the service of the U. S. Department of Agriculture. His latest research is on the question, "Do you think the rain will hurt the rhubarb?"

Ruthie Peterson has made herself famous as the queen of the burlesque at the ever-popular "Stork Club."

Sheila Fay is a very successful actress. Her latest role is that of chauffeur in the picture entitled, "The Last Mile."

"Muggsy" Anderson has just solved the baffling mystery of "How to grow big and burly in five easy lessons."

Hal Drumheller is starring on World's Homemaking program featuring, "Why a man should make his wife happy."

Jane Aronson has made quite a name for herself in the literary field. She recently published a volume of poems entitled "Rainbow Rhymes."

Theresa Vigneau is a roving lecturer. Her favorite topic is, "How to talk effectively."

"Reet" Johnson has just published a book called, "How to Become Popular." It's outselling Emily Post.

"Crow" Santoro has made himself known lately, as a famous tough guy in the "Whodunnit?" pictures.

"Liz" Baron has just returned from China. She gained popularity by teaching the Coolies to "Rhumba."

PERSONALIZED PORTRAITS and it's all done with LIGHTS!

There's magic in lights . . . add a light here, place a spot-light there, and your portrait takes on the appearance of real form and individuality.

Your Vantine photographer knows how lighting effects can be best used . . . How easily they can reflect your personality.

Your Vantine photographer knows best how to secure the sharply etched photograph your engraver desires of the important senior year . . . The victories of the athletic teams . . . The brilliance of social occasions . . . The Prom . . . The plays . . . The debates . . . The expression of everyday life on the campus.

That personalized portraits by Vantine are important is attested to by the fact that over 300 schools and colleges repeatedly entrust their photographic work to Vantine.
